## **Driving**

Their first week of college, Jonathan and Nancy had made the drive to New York together. Jonathan was headed for NYU and Nancy, Yale. With the windows down and the radio up, they had taken to the high way; both cheering in celebration as they passed the Hawkins city limit sign. With one hand on the steering wheel and the other linked with Nancy's, Jonathan had smiled and lifted his girlfriend's hand to his mouth to brush a quick kiss against her knuckles. "Scared?" He had asked.

"After everything we've been through?" she smirked. "This is nothing."
